Your Premier Third Party Logistics Provider

Aquantuo simplifies global trade, bridging international suppliers with West and East African commerce hubs through technology-enabled shipping, customs clearance, and local distribution.

| Core Supply Chain Solutions

Global Sourcing Channels

We establish a unified framework connecting overseas suppliers, customs regulations, dynamic sea/air freight hubs, and local door-to-door delivery operations.

Integrated 3pl Logistics Services

Designed to scale for businesses of all sizes, Aquantuo acts as your dedicated operational backend, removing structural friction from international trade routes.

| Seamless Shipping from USA to Ghana

Reliable Transatlantic Shipping

We provide individuals, small businesses, and corporations with reliable shipping pathways to clear, sort, and deliver cargo directly to destinations in Ghana.

- **Flexible Routing:** Optimize transit based on urgency.
- **Package Consolidation:** We combine multiple orders at our US warehouse to save you money on volumetric calculations.
- **Proprietary Clearing:** Handled entirely by our specialized local brokerage teams.

| Transportation Options Comparison

Service Aspect	 Air Freight Services	 Sea Freight Services
Standard Timelines	5 to 10 Business Days	6 to 12 Weeks (Consistent Port Sailing)
Primary Cost Factors	Chargeable Weight (Actual vs. Dimensional)	Cubic Feet (CFT) / Volume (Container space)
Customs Integration	Fully cleared by Aquantuo teams at Airport	Port clearance managed at Tema Port
Ideal Use Cases	Urgent inventory, electronics, documents, and retail parcels	Oversized equipment, bulk trade goods, heavy cargo
